The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47.

A maximum of two owners per participating horse will be accredited, providing their names are duly registered as such in the official FEI-passport of the relevant horse. The Organising Committee reserves the right to withdraw, confiscate or otherwise any passes whether issued with entry or purchased, without refund, immediately in the event that they are either cut, removed or in any way damaged.

Passes are non-transferable once issued. All competitors, owners, grooms and other persons must display relevant passes at all times, otherwise entry will be refused.

### 2. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (table A and table C) must inform the Organising Committee before these competitions begin. These riders will start first in these competitions.

### 3. START LISTS & RESULT SHEETS

The name of the owner of each horse will be added to all start lists and result sheets, as well as its stud book initials, country of birth, sex and age.

### 4. DECLARATIONS

No horse will be allowed to start in more than one competition per day. Every rider is allowed to compete with one horse only in each competition, with the exception of the competitions number 1, 6, 7 and 12. Moreover no horse will be permitted to compete in any competition, unless the declaration has been made within the specified time; i.e.:

a) Horses participating in the competitions on Wednesday (September 08<sup>th</sup> 2010) and Thursday (September 9<sup>th</sup>, 2010) must be declared at the secretary's office, immediately following the official Horse Inspection on Wednesday September 08<sup>th</sup> 2010 but in any case at 15hrs30 at the latest for horses starting in competition no 1 and at 17hrs00 for horses starting in competition no 2.

The final decision about the substitution is however at the discretion of the Ground Jury, after consultation with the Event Veterinarian.

## 5. PRACTICE ARENA

Training (including working, lunging and walking) of horses is only allowed at specified times on the official and controlled exercise areas, provided by the Organising Committee from Wednesday September 08<sup>th</sup>, 2010 (immediately after the Horse Inspection) until the conclusion of the event on Sunday (September 12<sup>th</sup>, 2010). The exercise / practice areas will be permanently controlled by FEI stewards.

During a competition the exercise/practice area is strictly reserved to horses starting in the present competition and the next three athletes must be mounted and ready to enter the arena. If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

## 6. IMAGE RIGHTS

The Organising Committee reserves the right to use – without any compensation due – photographs, slides, video tapes or any other (digital) registered picture from athletes and/or horses, made or registered during the CSI Humlikon – 2010, for promotional and/or marketing purposes, related to the event.

## 7. INCIVILITY

Any act of discourtesy or disobedience to any judge, steward or any show officials on the part of the athlete, groom, driver or agent of a horse may at the discretion of the President of the Ground Jury disqualify that horse from being judged, in which case entry fees, prizes and charges will be forfeited.

## 8. PARADING

All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.
