III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: www.fei.org.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2. Additional Liability Information

The Organising Committee will not accept responsibility for any accident happening to owners, participants, grooms, to or because of their horses to third parties in whichever circumstances, inside or outside the show grounds, during, before or after competitions. The civil and financial responsibility of the Organising Committee and its co-operators will never be liable in any circumstance.

The Organising Committee (including their employees, representatives and show officials) will not be responsible for any accident, injury or damage that may occur to, or any illness or disease which may be contracted by any horse entered at the LerchPartner.ch CSI Humlikon – 2017 however occurring, and the Athletes and Horse Owners shall keep the Organising Committee indemnified against all liability whatever arising from any accident, injury, damage, illness or disease.

Athletes recognize and accept that all equestrian sports involve inherent risks and that no helmet or protective equipment can protect against all foreseeable injury. Consequently, by entering their horse(s) for LerchPartner.ch CSI Humlikon – 2017 they accept the risk and hold harmless the Organising Committee, the FEI, the officials, agents, employees and their representatives.

The Organising Committee will not be in any way liable for anything that may happen (from any cause or circumstances whatever) to property brought into the event or for any other loss, claim, circumstance, matter or event whatever in connection with, or arising out of, or attributable to the actions of the Organising Committee (including their employees, representatives and show officials) or any of their officers, or agents or these or any other rules or regulations special conditions prescribed by the event.

1.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

Protests: <http://inside.fei.org/sites/default/files/FEI%20Protest%20Form.pdf>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE OC

A. SHORTENING/CANCELLATION

The Organising Committee reserves the right to take all necessary action, including cancelling or shortening the LerchPartner.ch CSI Humlikon – 2017, due to special and/or unforeseen circumstances, which in the opinion of the Organising Committee, would make the continuation of the event unjustified. Any such decision will be taken in agreement with the Secretary General of the FEI. No consequential liability whatsoever can be accepted in such occasion. Gen. Reg. 115.1 and 115.2.

B. START & RESULTS LISTS

The name of the owner of each horse will be added to all start lists and result sheets, as well as its stud book initials, country of birth, sex and age.

C. DECLARATIONS

No horse will be allowed to start in more than one competition per day. Each individual athlete is allowed to compete with one horse only in each competition. Moreover, no horse will be permitted to compete in any competition, unless the declaration has been made within the deadline specified down below, i.e.:

- a) Horses participating in competition no 01, 02 and 03 on Wednesday (August 30st, 2017) must be declared at the secretary's office, immediately following the official Horse Inspection of the CSI 1*/CSI-Am horses on Tuesday August 29th 2017 but in any case at 19hrs00 at the latest;
- b) Horses due to compete in competition no 04 on Wednesday (August 29th 2017) must be declared at the secretary's office, immediately following the Horse Inspection of the CSI 3* horses on Wednesday August 29th 2017, but in any case at 16hrs30 at the latest;
- c) Horses due to compete in the competitions on Thursday, Friday, Saturday and Sunday (August 30st up to and including September 3rd, 2017) must be declared the night before at the secretary's office, at the latest 30 minutes after the prize giving ceremony of the last competition of the day.

D. SUBSTITUTION

After declaration no substitution of horses will be permitted, unless the Event's Treating Veterinarian certifies officially, that the declared horse has become unfit to compete since the time of declaration. The final decision about the substitution is however at the discretion of the Ground Jury, following consultation of the FEI Veterinary Delegate.

E. PRACTICE ARENA

Training (including working, lunging and walking) of horses is only allowed at specified times on the official and controlled exercise areas, provided by the Organising Committee from Tuesday August 29th 2017 (immediately after the 1st Horse Inspection), until the conclusion of the event on Sunday, September 03rd 2017.

The exercise / practice areas will be permanently supervised by FEI stewards. During a competition the exercise/practice area is strictly reserved to horses starting in the present competition and the next three athletes must be mounted and ready to enter the arena.

If an athlete is not ready when his/her starting number/name is called, he/she will lose his/her place in the starting order and he/she will be eliminated from that competition at the discretion of the Ground Jury, unless certain circumstances prevent this (e.g. losing a horse shoe just before his/her turn to start).

F. IMAGE RIGHTS

The Organising Committee reserves the right to use – without any compensation due – photographs, videos or any other digital registered picture from athletes and/or horses, made or registered during LerchPartner.ch CSI Humlikon – 2017, for promotional and/or marketing purposes, related to the event.

It is a condition of entry that all athletes will permit any photographic or filmed material derived during the course of the event, to be utilised subsequently by the Organising Committee for future promotion of their business interests or the show, at no cost to the latter.

Moreover the Organising Committee would highly appreciate the athletes' co-operation for marketing activities related to the event (for example to join a meet and greet session with main sponsors), for approximately 20 minutes maximum, if so requested.

G. INCIVILITY

Any act of discourtesy or disobedience to any judge, steward or any show official on the part of the athlete, groom, driver or owner of a horse may – at the discretion of the President of the Ground Jury – result in the athlete's horses being disqualified from the event, in which case (entry) fees and prize money won will be forfeited.

H. PARADING

All horses must be paraded whenever so ordered by the Organising Committee or an authorised show official. Any failure to comply with this rule may result in disqualification from competing and forfeiture of prizes, at the discretion of the Ground Jury.

I. DOCTOR | MEDICAL SERVICE | FARRIER

Veterinary and medical assistance, as well as farriery services, are available for the duration of the event. These are at the expense of those requesting them. When, in the opinion of the Show's veterinary surgeon, a horse is so severely injured that it ought to be humanely destroyed, the Person Responsible should where possible first be informed. However, the Show's veterinary surgeon may proceed with humane destruction, without reference to the PR, in order to prevent undue suffering to the horse. Before taking this action, the Show's veterinary surgeon should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the cost of disposal.

J. PRIVATE VETERINARY SURGEONS

Private veterinaries will have to report to the FEI Veterinary Delegate upon their arrival at the show grounds, before they will be accredited and be allowed to enter the restricted area. Under no circumstance will any veterinary surgeon other than the FEI permitted Treating Veterinarian be allowed to treat any horse at the LerchPartner.ch CSI Humlikon – 2017, unless permission in writing has been received from the FEI Veterinary Delegate.

K. STABLING

All horses, entered for the competitions of the LerchPartner.ch CSI Humlikon – 2017 must be stabled in the official stables provided by the Organising Committee (immediately after the official Horse Inspection) for the entire duration of the event. They are not to be removed between the dates of Tuesday August 29th, 2017, following the 1st official horse inspection, and the last competition on Sunday September 3rd, 2017, in accordance with the relevant FEI rules.

L. NO SMOKING POLICY

Smoking inside the stables is strictly prohibited; offences against this rule, first will incur a fine and in case of a repeated offence, will lead to permanent exclusion from the stables by means of withdrawal of the accreditation of the person concerned.

M. EMERGENCY STABLE CARDS

ECSCs will be available in the stabling area. It is the responsibility of the rider/groom to complete the card in full and affix to their horses stable door for the duration of their stay at the show. Whilst every reasonable effort will be made to contact the owner/person responsible of the animal, if unsuccessful the Veterinary Surgeon on duty will treat the animal as he finds necessary.

N. IDENTIFICATION

For identification purpose all horses stabled must carry their identification number whenever leaving the stables; offences against this rule, will incur a fine.

O. HEALTH DOCUMENTS

Foreign athletes requiring health documents for their horses to facilitate their onward journey following their sojourn at the LerchPartner.ch CSI Humlikon-2017, must inform the secretary's office accordingly not later than Thursday August 31st 2017, by 16hrs00.

P. DOGS

Dogs must be kept on a leash at all times; offences against this rule may lead to permanent withdrawal of the accreditation of the person concerned.

Q. Schweizer Meisterschaften Springen ELITE 2017

The SM Elite 2017 will take place during the LerchPartner.ch CSI Humlikon | SUI.

Riders taking part at the SM Elite 2017 will be allowed to enter a second horse in competition no 4 for the purpose of warming-up | arena familiarization only.

updated 17 October 2011

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Foreign athletes are taxable in Canton Zürich | SUI by 20% tax deduction on money prizes won; the Organising Committee will deduct taxes from prize money won immediately. The tax will be calculated on the rider's tax residence registered at "app.eventclearing.lu

In all cases, athletes will be invited to provide all necessary information, in order to guarantee the correct tax procedure; to this purpose all athletes must provide the Organising Committee with a copy of the relevant pages of their passport and their home address. Every athlete is responsible for the correctness of the details he/she submits.

PRIZE MONEY TRANSFER

Distribution of prize money after the event is administered by "EventClearing". The prize money will be transferred to the account that is registered at "app.eventclearing.lu". For further questions please contact EventClearing (info@eventclearing.lu)

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

IMPORTANT

*: Maximum Number of starters per competition: 100.

If more than 100 starters are declared, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.

OR

The competition is run as one single competition and split afterwards into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the actual number of starters, that determines whether the Competition must be split.
