Dear Rider,

The organizers of the CSI in Humlikon are working together with EventClearing that is in charge of collecting the participation fee ahead of the event and distributing the prize money afterwards. The prize money will be paid directly after the show on the bank account you register at EventClearing. The whole procedure is settled and controlled by EventClearing, the overall responsibility stays with the organizers of the CSI in Humlikon.

For the riders who already used our "app" before: some features like "employer status" instead of "Billing address" have been updated recently. Please let us know if we can help you at any point using our software.

If you did not agree any package prices with the O.C. then please make the following payment of the "entry fee per horse" **latest until 25.08.2017**.
